

GRADUATE AND PROFESSIONAL COURSE WITHDRAWAL PROCESS

- Students who wish to withdraw from a course must consult their Academic/Program Director and are encouraged to discuss the withdrawal with their instructor. To officially withdraw, students must complete and submit the course withdrawal form to the Registrar's Office **before the last day to withdraw**.
 - Ceasing to attend classes or notifying the instructor does not constitute an official withdrawal.
- **Late Withdrawal:** Students must consult with their instructor and Program/Academic Director to request a late withdrawal, which will only be considered in extreme circumstances.
 - If approved, the Instructor will issue a grade of WP (withdrew passing) or WF (withdrew failing). The grade of WF is computed as a failing grade in the grade point average.
- **Student Eligibility:** Withdrawing from a course may affect veteran benefits, visa status, or financial aid. Please consult with the appropriate office regarding the implications of withdrawing from a course on your eligibility.
